

Corner Surface Mount LED Interior Cargo Lights

10" length: #ECVCSLLED10
 21" length: #ECVCSLLED21
 32" length: #ECVCSLLED32
 43" length: #ECVCSLLED43

Features

- Reliable & bright Gen3 LEDs clearly illuminate the interior spaces of your vehicles with four length to choose from; 10", 21", 32" & 43".
- Lights are made with bright white Gen3 LEDs with 3 LEDs per module:
 - 10" length has 1 module, 3 LEDs total
 - 21" length has 2 modules, 6 LEDs total
 - 32" length has 3 modules, 9 LEDs total
 - 43" length has 4 modules, 12 LEDs total
- Designed for surface mounting in 90 degree corners of interior cargo areas, storage compartments & tool boxes for mobile offices, rescue vehicles and pick-up trucks for streamlined, low amp draw LED lighting.
- Light features new lens design for 180 degrees of light dispersion. Lens is made from a durable polycarbonate.
- Easy installation - make a simple 2-wire electrical connection & secure in place with customer supplied fasteners.
- Aluminum housing is finished with a white glossy powder coat finish & lens is made with a durable, scratch resistant polycarbonate.
- Housing design allows for neat wire management behind the light.
